The Board of 1pm plc is pleased to announce that it has secured £350,000 of additional banking facilities with Handelsbanken, a leading Swedish bank.

This additional working capital facilitates the Company's ability to negotiate additional funding lines and strengthens its ability to service the significant opportunities in the small ticket leasing market.

Mike Johnson, 1pm's Chairman, commented:

'I am very pleased to announce this additional facility. Our new management team and subsequent business restructuring has focused the Company on delivering growth and I look forward to reporting further progress in due course.'

Bob Winkworth, Handelsbanken's Bath based Corporate Banking manager, commented:

'Handelsbanken is pleased to have been able to provide working capital facilities to 1pm plc, which will complement the recently completed capital raising programme undertaken by the company.'

As always we seek to provide a full Banking Service that we are able to make both bespoke and personalised for corporate accounts. Together we look forward to growing 1pm PLC into an even more successful Leasing company.'
